Independently Published, United States, 2018. Paperback. Condition: New. Language: English. Brand new Book. Several years ago I had the opportunity to create software for an optical store. Frames, lenses, diopters surrounded me and my mind saturated with madness fantasized. So, I decided to make an unbelievable trip to discover how they were the glasses in an ironic flavor. If you feel like it, take my hand and walk through the maze of the fake archaeological discoveries I've made. Good vision and thank you all.
